FOR IMMEDIATE RELEASE

One-Way Traffic Control on Rio Vista Bridge

Rio Vista – Caltrans will implement one-way traffic control on the Rio Vista Bridge in Solano County today, Monday, February 13, from 12:00 noon until 4:00 pm to make repairs to the bridge. The one-way traffic control is necessary to ensure the safety of crews and the motoring public during the bridge work.

Travelers are advised to expect delays and either use an alternate route or allow for extra travel time. Caltrans appreciates your patience as we perform this work.
